INDIAN LEAN CONSTRUCTION CONFERENCE 2026

Beyond Efficiency - The Future of Lean Construction for a Digital and Sustainable Industry

The 9th Indian Lean Construction Conference - ILCC 2026 - will be held in IIT Bombay, India, from 25th November to 28th November 2026. Continuing its legacy, the conference brings together a vibrant community of owners, designers, constructors, and researchers to foster knowledge exchange and innovation in Lean Construction.

This year's edition features a blend of Workshop Day, Industry Day, and Academic Conference Days, offering diverse opportunities to explore the latest methods, case studies, and research in lean thinking.

Set at the bank of the Powai Lake, IIT Bombay - our host venue offers an inspiring and evolving academic environment in one of the India's most culturally significant cities. We look forward to your presence at ILCC 2026 as we collectively shape the future of lean-driven infrastructure.
