

14th International Conference
on
**TRANSPORTATION PLANNING &
IMPLEMENTATION METHODOLOGIES
FOR DEVELOPING COUNTRIES**

14th TPMDC
19th - 21st December 2022

Organized by:

Transportation Systems Engineering
Department of Civil Engineering
Indian Institute of Technology Bombay
Powai, Mumbai – 400076, India

BACKGROUND

The practical problems associated with transportation systems engineering in many developing countries including India and developed countries are different and complex. Therefore, researchers and agencies have been working to tackle these challenges and to identify implementable solutions for various transportation engineering related problems as per prevailing conditions. In this direction, TPMDC 2022 brings an ideal platform for researchers, practitioners, and agencies to share their experience and practical solutions to various transportation engineering problems. This conference invites full paper related to various themes under the umbrella of Transportation Systems Engineering.

The TPMDC conference is being organized by the Transportation Systems Engineering (TSE) group of the Department of Civil Engineering, Indian Institute of Technology Bombay, India. The TSE group started in 1988 and currently has eight faculty members and more than fifty graduate students, working in various research areas. TPMDC workshop/conference started in 1996 and conducted biennially at IIT Bombay. The 14th TPMDC will be held in IIT Bombay Campus in Mumbai from 19th to 21st December 2022.

CALL FOR ABSTRACTS FROM THE INDUSTRIES

Two page long abstracts of 500 to 1000 words are invited from industry practitioners on their ongoing or completed projects, that have contributed to the scientific knowledge of the transportation field relevant but not limited to the conference themes.

The abstract can be structured to include (a) Problem Statement and Scope of the work, (b) State of the art practices, (c) Process adopted, (d) Solutions found and learning for the future in two A4 size pages. The abstracts should be oriented to indicate the contributions in the scientific knowledge and existing practices. It is recommended to include the site photographs, schematics, and other diagrams in the abstract, along with explaining any relevant case studies.

CONFERENCE THEMES

- Track I :** Transport Modes: General
- Track II :** Pavement Systems Engineering
- Track III:** Transportation Planning, Policy, and Economics
- Track IV:** Traffic Management, Operations, and Safety
- Track V :** Emerging Technologies in Transportation
- Track VI:** Sustainable Mobility in Transportation

REGISTRATION FEE

Category	Regular	On-Spot
Delegates and professionals	12,000	15,000

Registration fee is in Indian National Rupees (INR) for both international and Indian delegates and students. The registration fee is excluding applicable taxes.

IMPORTANT DATES

Submission deadline for industry abstracts	10 December 2022
Deadline for online registration	15 December 2022
On-spot registration	19 December 2022

SUBMISSION

Submit the abstract via email to tpmdc.conference.iitb@gmail.com

ORGANIZING COMMITTEE

Chairman

Prof. Dharamveer Singh

Secretary

Prof. Avijit Maji

Members

Prof. K. V. Krishna Rao

Prof. Tom V. Mathew

Prof. Gopal R. Patil

Prof. P. Vedagiri

Prof. Nagendra R. Velaga

Prof. Solomon Debbarma

Prof. S. L. Dhingra
