14th International Conference

on

TRANSPORTATION PLANNING & IMPLEMENTATION METHODOLOGIES FOR DEVELOPING COUNTRIES

14th TPMDC

19th - 21st December 2022

Organized by:

Transportation Systems Engineering
Department of Civil Engineering
Indian Institute of Technology Bombay
Powai, Mumbai – 400076, India

BACKGROUND

The practical problems associated with transportation systems engineering in many developing countries including India and developed countries are different and complex. Therefore, researchers and agencies have been working to tackle these challenges and to identify implementable solutions for various transportation engineering related problems as per prevailing conditions. In this direction, TPMDC 2022 brings an ideal platform for researchers, practitioners, and agencies to share their experience and practical solutions to various transportation engineering problems. This conference invites full paper related to various themes under the umbrella of Transportation Systems Engineering.

The TPMDC conference is being organized by the Transportation Systems Engineering (TSE) group of the Department of Civil Engineering, Indian Institute of Technology Bombay, India. The TSE group started in 1988 and currently has seven faculty members and more than fifty graduate students, working in various research areas. TPMDC workshop/conference started in 1996 and conducted biennially at IIT Bombay. The 14th TPMDC will be held in IIT Bombay Campus (Mumbai) from 19th to 21st December 2022.

CALL FOR FULL PAPERS

Full length papers are invited related to the conference themes mentioned below for consideration in the conference. All submitted manuscripts will undergo a peer review process for selection. More details are available on the conference website mentioned below:

www.civil.iitb.ac.in/tpmdc

CONFERENCE THEMES

- Track I :** Transport Modes: General
- Track II :** Pavement Systems Engineering
- Track III:** Transportation Planning, Policy, and Economics
- Track IV:** Traffic Management, Operations, and Safety
- Track V :** Emerging Technologies in Transportation
- Track VI:** Sustainable Mobility in Transportation

REGISTRATION FEE

Category	Early Bird	Regular	On-Spot
Delegate	10,000	12,000	15,000
Student	5,000	6,000	7,500

Registration fee is in Indian National Rupees (INR) for both international and Indian delegates and students. The registration fee is excluding applicable taxes.

PUBLICATION

Selected papers from the conference will be published in TPMDC Procedia by Springer. The conference committee is also exploring possibility of a special issue journal publication for a few selected papers. The details will be available on the conference website.
