## 15<sup>th</sup> International Conference on TRANSPORTATION PLANNING & IMPLEMENTATION METHODOLOGIES FOR DEVELOPING COUNTRIES

## 15<sup>th</sup> TPMDC

18 - 20 December 2024

Organized by:

Transportation Systems Engineering  
Department of Civil Engineering  
Indian Institute of Technology Bombay  
Powai, Mumbai – 400076, India

## BACKGROUND

The practical problems associated with Transportation Systems Engineering in many developing countries (including India) and developed countries are different and complex. Therefore, researchers and agencies have been working to tackle these challenges and to identify implementable solutions for various transportation engineering related problems as per prevailing conditions. In this direction, TPMDC 2024 brings an ideal platform for researchers, practitioners, and agencies to share their experience and practical solutions to various transportation engineering problems. This conference invites full paper related to various themes under the umbrella of Transportation Systems Engineering.

The TPMDC conference is being organized by the Transportation Systems Engineering (TSE) group of the Department of Civil Engineering, Indian Institute of Technology Bombay, India. The TSE group started in 1988 and currently has ten faculty members and more than fifty graduate students, working in various research areas. TPMDC workshop/conference started in 1996 and conducted biennially at IIT Bombay. The 15<sup>th</sup> TPMDC will be held in IIT Bombay Campus (Mumbai) from 18 to 20 December 2024.

## CALL FOR FULL PAPERS

Full length papers are invited related to the conference themes mentioned below for consideration in the conference. All submitted manuscripts will undergo a peer review process for selection. More details are available at : [www.civil.iitb.ac.in/tpmdc](http://www.civil.iitb.ac.in/tpmdc)

## CONFERENCE THEMES

- Track I** : Transport Modes: General
- Track II** : Pavement Systems Engineering
- Track III** : Transport Planning, Policy and Economics
- Track IV** : Traffic Management, Operations and Safety
- Track V** : Emerging Technologies in Transportation
- Track VI** : Sustainable Mobility in Transportation

## REGISTRATION FEE

Category	Early Bird	Regular	On-Spot
Delegate	13,000	15,000	18,000
Student	7,000	8,000	9,500

Registration fee is in Indian National Rupees (INR) for both international and Indian delegates and students. The registration fee is excluding applicable taxes.

## PUBLICATION

Selected papers from the conference will be published in TPMDC Procedia. The conference committee is also exploring possibility of a special issue journal publication for a few selected papers. The details will be available on the conference website.
