Dear Sir,

**Sub: National Committee of Civil Engineering Discipline for International Professional Engineers Certification by The Institution of Engineers (India)**

You are aware that The Institution of Engineers (India) [IEI] established in 1920 is the largest multi-disciplinary professional body of engineers. The Institution in a landmark achievement has obtained a full membership of the International Professional Engineers Agreement (IPEA) and has been empowered to establish and maintain the India section of the International Professional Engineers (IntPE) register. The Institution is the only professional body in India authorized to conduct International Professional Engineer Certification (IntPE) examination and also certifies professional competence of engineers following the international standards.

2. As per Systems & Procedures for Certification of International Professional Engineer (India), the Organizational Structure comprises Board for Certification (BFC) and National Committee of each engineering discipline.

It is our privilege to inform you that you have been proposed to be nominated as Member, National Committee of Civil Engineering discipline with the following composition:-

1. Chairman: Prof (Dr) T G Sitaram, Chairman, All India Council for Technical Education, New Delhi
2. Member: Dr Rajwinder Singh Bansal, Head & Associate Professor, Civil Engineering Department, Ramgarhia Institute of Engineering & Technology, Punjab
3. Member: Mr V Suresh, Former CMD, HUDCO, "Isavasyam", B-8/2, [Lakshmi Nagar, Kesavadasapuram](#), Patton PO, Thiruvananthapuram

6. Member: Prof Deepankar Chaudhary, Head of the Department of Civil Engineering, IIT Bombay, Mumbai

3. I do hope that you would accept to become the **Member of the Committee** and I am confident that your association with the Institution would enable us to nurture the profession of engineering. Further, we will be obliged if you make yourself available for the Committee during the interview process and certification procedures.

4. Please note that the Committee meets, as and when a reasonable number of applications received for consideration of certification. The meeting of the Committee is held through an online platform. The applications of the candidates are examined and they are interviewed by the National Committees of the respective engineering disciplines online. On their recommendations, the certification is approved by the Board for Certification for granting the same, which is valid for five years.

A detailed Systems & Procedures for Certification of International Professional Engineers is enclosed for your kind perusal.

Thanking you.

Yours faithfully,

Encl: as stated
