# Publications of Dr. R.S. Jangid

## (a) Reviewed Journals

79. V.R. Panchal and R.S. Jangid, “Seismic behavior of variable frequency pendulum isolator”, 
82. J.G. Kori and R.S. Jangid, “Semi-active control of seismically isolated bridges”, 
83. A.V. Bhaskararao and R.S. Jangid, “Optimum viscous damper for connecting adjacent SDOF structures for harmonic and stationary white-noise random excitations”, 
92. B.B. Soneji and R.S. Jangid, “Effectiveness of seismic isolation for cable-stayed bridges”, 

(b) **CONFERENCES**

(c) Books
