IMPORTANT DATES

Submision deadline for extended abstracts   September 15, 2020
Notification of acceptance of extended abstracts   October 31, 2020
Registration deadline   November 15, 2020

ORGANIZING COMMITTEE

Patron
Prof. K. V. Krishna Rao
Chairman
Prof. P. Vedagiri
Secretary
Prof. Dharamveer Singh

Members
Prof. Tom V. Mathew
Prof. Gopal R. Patil
Prof. Avijit Maji
Prof. Nagendra R. Velaga
Prof. S. L. Dhingra

CONTACT ADDRESS

TPMDC-2020
Transportation Systems Engineering

13th INTERNATIONAL CONFERENCE
on
TRANSPORTATION PLANNING & IMPLEMENTATION METHODOLOGIES FOR DEVELOPING COUNTRIES
(Online Conference)

13th TPMDC
10 & 11 December, 2020

Organized by:
Transportation Systems Engineering
Department of Civil Engineering
Indian Institute of Technology Bombay
Powai, Mumbai – 400076, India

13th TPMDC (Online Conference)

CONFERENCE THEMES

Track I: Activity and Transport Demand
Track II: Emerging Travel Technologies
Track III: Pavement Materials, Analysis and Design
Track IV: Sustainable Land Use Transport Planning
Track V: Traffic Management, Operations, and Safety
Track VI: Transport and Mobility Networks
Track VII: Transport Economics, Finance, Policy and Governance

CALL FOR EXTENDED ABSTRACTS

Extended abstract of maximum 4 pages pertaining to the aforementioned conference themes are invited for the presentation in the conference. All the extended abstracts submitted will go through a peer review process. More details on format and submission process can be found at https://easychair.org/conferences/?conf=tpmdc2020

REGISTRATION FEE

Presenting author from India: INR 2000/-
Presenting author from foreign countries: USD 40/-
The registration fee includes all applicable taxes. At least one of the authors of accepted abstract should register for the conference. The registered author would receive e-certificate and e-booklet of accepted abstracts.
There is no registration fee for attendees who are not authors. More details to attend the sessions will be provided in the conference webpage.
The registered authors can present a maximum of two accepted extended abstracts.

BACKGROUND

The practical problems associated with transportation systems engineering in many developing countries including India and developed countries are different and complex. Therefore, researchers and agencies have been working to tackle these challenges and to identify implementable solutions for various transportation engineering related problems as per prevailing conditions. In this direction, TPMDC 2020 brings an ideal platform for researchers, practitioners, and agencies to share their experience and practical solutions to various transportation engineering problems. This conference invites extended abstracts related to various themes under the umbrella of transportation systems engineering.

The TPMDC conference is being organized by the Transportation Systems Engineering (TSE) group of the Department of Civil Engineering, Indian Institute of Technology Bombay, India. The TSE group started in 1988 and currently has seven faculty members and more than fifty graduate students, working in various research areas. TPMDC workshop/conference started in 1996 and conducted biennially at IIT Bombay. However, considering the Covid-19 pandemic, the organizing committee has decided to organize the 13th version of TMPDC in online mode on 10 and 11 December 2020.
